CAMPING SHOW AND TELL

KHOMEESDRIF (RIVIERSONDEREND)

2020 has been a challenge, so let's camp!

New, seasonal and novice campers welcome.

This is for all campers & Overlanders who would like to see what other rig setups are like or have achieved with their camping equipment and styles. It is about tents, fridges, deep cycle batteries to gas cookers & how they're placed in rigs, trailers and ground tents.

Show off what you're proud and let people learn.
